Launching our GoFundMe 2024

Help jumpstart our fundraising this year

The mission of the Fitzharrys School Association (FSA) is to raise funds to improve our children's educational opportunities and school experience. FSA fundraising allows Fitzharrys to continue to offer the 'extras' which are so important in a school and not covered by existing funds.

The Fitzharrys School Association has set a 2024-25 fundraising target of £3000 this year and needs your help to reach this goal. To this end, the FSA has now launched this year's [GoFundMe appeal](#) and is hoping to raise £750 to further our fundraising.

Following investment in recent years of 15 new picnic benches, a new projector in Main Hall, and the installation of several fantastic and transformative Wall Art designs inside

the school, consultations are happening with the School Leadership Team and the School Council to identify how money raised by the FSA could be equally successfully allocated this year.

We know that this is a particularly difficult time financially for many people and want pass on our sincere thanks to you all for your generosity in donating.

As an extra thank you, and to spread a little holiday cheer, for every £5 you donate, the FSA will put an entry with your name on it into a Christmas Hamper Competition. Our hampers are filled with seasonal goodies and are a great way to start the holiday season, so don't forget to add your name when you make any [GoFundMe](#) donations if you want to be in with a chance of winning it!

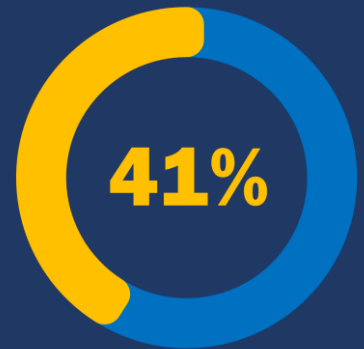

We really appreciate every single donation and are so grateful for your support. Thank you.

No Jumble this January

Due to a number of unforeseen circumstances, it is sadly not possible for the FSA team to run our popular Giant Jumble Sale this year, but fear not: we very much look forward to running it again in January 2026, and working with the school community to make it another fundraising success.
