Dear Parents/Guardians

Paperless reporting

We are excited to announce that Fitzharrys School is transitioning to a fully paperless reporting system. This change is part of our ongoing efforts to enhance efficiency, reduce our environmental impact, and improve accessibility for all our students and their families. As usual reports will be available on My Child at School, but there will no longer be a paper copy to take home unless you choose to opt out of paperless reporting by clicking this link:

<https://forms.office.com/e/P1esMevLWT>

Why Paperless Reporting?

- **Environmental Benefits:** By reducing our paper usage, we are taking a significant step towards sustainability.
- **Efficiency:** Digital reports will streamline the reporting process, making it quicker and easier for you to access your child's progress.
- **Accessibility:** You will be able to access your child's reports online at any time on My Child at School.

How It Works

- **Accessing Reports:** Reports will only be available through My Child at School unless you want to [opt out of paperless reporting](#). You will receive an email with instructions on how to log in and view your child's report.
- **Support:** If you have any issues accessing My Child at School try this link [MCAS-Parent-Guide-July-24-New-UI-version-1.pdf](#) or you can contact the school on office.4127@fitzharrys.school where a member of staff can support you.

We believe this transition will greatly benefit our school community, and we appreciate your support and cooperation. If you have any concerns or questions, please feel free to reach out.

Thank you for your continued partnership in your child's education.

Yours sincerely,

Alison Twyford
Assistant Head Attainment & Assessment
