

SENECA Premium access

Dear parent/guardian,

We are delighted to announce that we have invested in Seneca Premium to support your child's education.

What is Seneca?

www.senecalearning.com is an online learning platform that has high-quality courses for all subjects at Key Stage 2, Key Stage 3, GCSE and A Level.

Your child will be able to log into Seneca on a phone, tablet or computer and study any of their school subjects. Seneca's Premium pass offers them access to:

- Over **1300 online courses** such as Hardest Questions, Predicted Papers, and HyperLearning.
- **Smart Learning Mode** using data & neuroscience to tell your child exactly what to learn and when to learn it.
- **Wrong Answer Mode** helps students learn as quickly as possible.

How should your child use Seneca Premium?

For your child to make the most of this fantastic resource, we recommend:

- Students should complete the homework set by their teachers on Seneca.
- Students should use all the different course types available on Seneca.
- Students should use Seneca little and often throughout the year rather than using it to cram in the weeks before their exams.

All student accounts have been set up with their school email addresses. Students should sign in with the Microsoft single sign on using their Office 365 log in. This is the same password they would use to log into a computer at school.

There has been some confusion for students logging in as the whole school's email addresses changed last year. Your child's new email address will end it @fitzharrys.school. If they have any problems logging in with Microsoft they can use their school email and the password senca2020.

Should students have any issues logging in they can email Mrs Twyford on atwyford@fitzharrys.school

Parent accounts

Seneca's free parent account allows you to track your child's learning or learn alongside your child. This can help make conversations about school and learning easier.

Just sign up for a free Seneca parent account here: app.senecalearning.com/parent

You will automatically connect to your child. If you are set up as a guardian in the school's MIS system.

If you have any issues connecting with your child's account, please ask your child to invite you using your email address and you will receive a pop-up invite - Click accept.

Connect to Alexander Rowland?

alex@seneca.io has invited you to connect accounts.
Once connected, you will be able to monitor their learning progress.
You can disconnect at any time in your settings.

Last year v

Course	Rank 📍	Study time	Avg. score	Wrong answers
Biology: AQA GCSE Higher	10	21min	59%	36
Physics: AQA A Level	10	1min	52%	4
Biology: AQA A Level	10	2min	43%	22

If you have any questions about how Seneca works, you can get support from the Seneca team using the live chat on their website or you can email them at learnmore@seneca.io.

We hope this will prove a valuable resource to support your child's learning. I will be supporting form groups to get them all up and running on the platform over the coming weeks.

Kind regards,

Alison Twyford
