## PARKING INFORMATION

We do appreciate that students may need dropping off and collecting by car if they do not live within walking or cycling distance of the school. Due to the nature of the school's location and driveway, there is a lot of congestion around this area at the beginning and end of the school day. The school would like to remind everyone of the need to park respectfully in the residential areas surrounding the school and ask that extra care is taken not block the driveways of our neighbours, who must always have clear access to their properties. We would also politely remind drivers that (other than staff and organised transport taxis) no cars should be driving onto the school site between 08:00-08:45 and 15:00-15:45. This reduces congestion on the school drive and allows our students on foot and on cycles to enter and exit the site as safely as possible.

We appreciate your cooperation with these requests.

# Park & Stride

Fitzharrys School has introduced a **Park & Stride** scheme to help relieve traffic congestion at the beginning and end of the school day.

This scheme encourages our students to:

- adopt healthy lifestyles
- reduce their environmental impact
- be good neighbours to local residents

Between **08:20-08:45**, and then **14:45-15:30**, drivers dropping off or collecting students can use the car park at *Abingdon United Football Club*, which is a 5min walk from the school, at the other end of Northcourt Road.

Permits are free, valid during term-time weekdays only, strictly between the times listed above.
